CONSTITUTION AND BYLAWS  
of  
NATIONAL FOOTBALL LEAGUE  
Effective February 1, 1970  
(An Unincorporated Association Not For Profit)

ARTICLE I

NAME AND PRINCIPAL OFFICE

1.1 The name of this association shall be NATIONAL FOOTBALL LEAGUE, hereinafter called "League", the word "League" herein shall refer to the National Football League, unless otherwise specified.

1.2 The Commissioner shall select the location of the office of the League, which shall be located in or adjacent to a city in which a League franchise is operated.

ARTICLE II

PURPOSES AND OBJECTS

2.1 The purpose and objects for which the League is organized are:

(a) To promote and foster the primary business of League members, each member being an owner of a professional football club located in the United States.

(b) To do and perform such other functions as may be necessary to carry out the purpose and objects of the League.

2.2 The League is not organized nor to be operated for profit.

ARTICLE III

MEMBERSHIP

Members

3.1 (a) Membership in the League shall be limited to the twenty eight (28) member clubs specified in Section 4.4 hereof and such new members as may be thereafter duly elected.

(b) The admission of a new member club, either within or outside the home territory of an existing member club, shall require the affirmative vote of three-fourths of the existing member clubs of the League.

#### Eligibility of New Members

3.2 Any person, association, partnership, corporation, or other entity of good repute organized for the purpose of operating a professional football club shall be eligible for membership except:

(a) No corporation, association, partnership or other entity not operated for profit nor any charitable organization or entity not presently a member of the League shall be eligible for membership.

#### Admission for Members

3.3 (A) Each applicant for membership shall make a written application to the Commissioner. Such application shall describe the type of organization and shall designate the city in which the franchise of the applicant shall be located; such application shall further describe and contain the following information:

(1) The names and addresses of all persons who do or shall own any interest or stock in the applicant, together with a statement that such persons will not own or hold such interest or stock for the benefit of any undisclosed person or organization.

(2) A detailed balance sheet of such company as of the date of organization and a pro forma statement as of the time it shall commence actual operation. A written financial statement shall be required from the applicant and from anyone owning an interest in any applicant, including stockholders and partners.

(3) If applicant is a corporation, a certified copy of the Articles of Incorporation, By-Laws and share certificate shall accompany such application, provided, however, if the organization of such corporation has not been commenced or completed a detailed statement summarizing the proposed plan of operation and the capital structure thereof shall be furnished.

(4) If applicant is partnership, unincorporated association or other entity, a certified copy of the Articles of Co-Partnership or organization agreement shall accompany such application.

(5) The names and addresses of all officers and directors.

(6) All applications shall contain a representation that upon acceptance, the applicant will subscribe to and agree to be bound by the Constitution, By-Laws, Rules and Regulations of the League and any amendments or modifications thereof.

(B) Each application for membership shall be accompanied by a certified check for Twenty-Five Thousand Dollars (\$25,000.00). Upon approval of any application for membership, an additional Twenty-Five Thousand Dollars

(\$25,000.00) shall be paid to the League. If any application for admission is rejected, the League shall repay to the applicant the sum of Twenty-Five Thousand Dollars (\$25,000.00) paid by the applicant at the time of such application, less all expenses reasonably incurred in connection with the consideration and investigation of such application.

(C) Upon receipt of any application for membership in the League, the Commissioner shall conduct such investigation thereof as he deems appropriate. Following the completion of such investigation, the Commissioner shall submit the application to the members for approval together with his recommendation thereon, and such information thereon that the Commissioner deems pertinent. Each proposed owner or holder of any interest in a membership, including stockholders in any corporation, members of a partnership and all other persons holding any interest in the applicant must be individually approved by the affirmative vote of not less than three-fourths or 20, whichever is greater, of the members of the League.

#### Franchise Certificate of Membership

3.4 Each member shall receive a Franchise Certificate of Membership signed by the Commissioner, and Secretary of the League, certifying that such member is a member of the League, and holds a franchise from the League to operate a professional football club in a designated city. Such Franchise Certificate shall not be assignable nor transferable, except as provided in Section 3.5 hereof.

#### Transfer of Membership

3.5 No membership, or any interest therein, may be sold, assigned, or otherwise transferred in whole or in part except in accordance with and subject to the following provisions:

(a) Application for the sale, transfer or assignment of a membership, or of any interest therein, must be made in writing to the Commissioner; upon receipt of such application, the Commissioner is empowered to require from applicant and applicant shall furnish such information as the Commissioner deems appropriate, including:

(1) The names and addresses of each of the buyers, transferees or assignees thereof.

(2) The price to be paid for such sale, transfer or assignment, and the terms of payment, including a description of the security for any unpaid balance, if any.

(3) A banking reference for each buyer, transferee, or assignee.

(4) If the buyer, transferee or assignee is a corporation, a copy of the Articles of Incorporation and By-Laws thereof, together with a copy of the share certificates of each class of stock to be outstanding, the names and addresses of the directors and officers thereof, the names and addresses of the stockholders therein and the price paid or to be paid and the time of payment for said stock, a copy of any proposed voting trust agreement and of any voting trust certificates.

(b) Upon receipt thereof, the Commissioner shall conduct such investigation as he deems appropriate. Upon completion thereof, the Commissioner shall submit the proposed transfer to the members for approval, together with his recommendation thereon, and all information in respect thereto that the Commissioner deems pertinent. All sales, transfers or assignments except a transfer referred to in Section 3.5 (c) hereof, shall only become effective if approved by the affirmative vote of not less than three-fourths or 20, whichever is greater, of the members of the League.

(c) If any person owning or holding a membership, or an interest therein, by stock ownership or otherwise dies, such membership or interest therein may be transferred to a member of the "immediate family" of the deceased without requiring the consent or approval of the members of the League or the Commissioner thereof; similarly, if any person owning or holding a membership or an interest therein, by stock ownership, or otherwise, seeks to transfer such membership or any interest therein, by gift, such membership or the interest therein may be transferred to the donee if the donee is a member of the "immediate family" of the donor; in such event, no consent or approval of the members of the League or the Commissioner shall be required to complete such transfer. The "immediate family", for the purpose of this paragraph shall mean the wife, child, mother, father, brothers and sisters, or any other lineal descendant of the deceased or donor. In all other cases involving death or transfers by gift, any person succeeding to a membership or an interest therein, whether by gift, will, intestacy, or otherwise, must be first investigated by the Commissioner in such manner as the Commissioner deems appropriate. Upon the completion thereof, the Commissioner shall submit such succession or transfer to the membership for approval and shall accompany the same with his recommendation thereon; no such succession or transfer shall be effective unless first approved by the affirmative vote of not less than three-fourths or 20, whichever is greater, of the members of the League.

#### Voluntary Withdrawal

3.6 Any member of the League may withdraw from membership either:

(a) By selling, assigning, or transferring its membership upon the terms and conditions set out in Section 3.5 hereof; or

(b) A club may voluntarily withdraw from the League by tendering its written resignation to the Commissioner and simultaneously surrendering its Franchise Certificate of Membership, making full payment of any and all dues, assessments, or other debts owing to the League, and assigning to the League, or its nominee, all player contracts and the lease of its playing field, if and to the extent the lease is assignable; provided, however, that no voluntary withdrawal may be made in any year between March 1st and the date of the World Championship Game of that year, except with the unanimous consent of all members.

#### Involuntary Termination

3.7 Membership in the League shall be automatically terminated whenever:

(a) An individual or corporate member or a partnership member or any general partner therein, makes an assignment for the benefit of his or its creditors or files a voluntary petition in bankruptcy, or whenever a receiver or trustee in bankruptcy is appointed for the property and assets of the member or of any general partner of a partnership member or whenever reorganization proceedings in bankruptcy are instituted by or against the member or by or against any general partner possessing an interest in a partnership membership. In the event the partnership agreement of a partnership member provides for automatic termination of the interest of any general partner who makes an assignment for the benefit of his creditors or who becomes the subject of any such bankruptcy proceedings and also provides for the continuation of such partnership in any such event, and the remaining partners satisfy the requirements of Sections 3.5(a) and (b) hereof, then this Section 3.7(a) shall be inoperative with respect to such partnership member.

(b) A member disbands its team during the regular season, or

(c) A member permanently disbands its business organization or ceases its business.

#### Effect of Termination

3.8 (A) Upon the expulsion of a member or upon any other involuntary termination of membership, the following shall occur:

(1) The lease of its playing field or interest of the member therein if and to the extent the lease or interest is assignable, shall, upon demand of the League, be assigned to the League or its nominee, provided, however, that the assignment of said lease to the League shall first be approved by the affirmative vote or written consent of no less than three-fourths or 20, whichever is greater, of the members of the League; said lease shall therefore be handled or disposed of in such manner as the remaining League members, by the affirmative vote of no less than three-fourths or 20, whichever is greater, of the members, shall decide.

(2) Title to all players contracts of the terminated member and title to all players on the Reserve or Selection List of such terminated member and any interest or right to such players and contracts shall, if demanded by the League, be assigned to the League or its nominee, provided that such assignments are first approved by the affirmative vote or written consent of not less than three-fourths or 20, whichever is greater, of the remaining League members, said players and contracts so acquired shall thereafter be handled and disposed of within the League in such manner as the remaining member clubs by the affirmative vote of not less than three-fourths or 20, whichever is greater, members of the League shall decide.

(3) All interest of the terminated member in and to any funds or property of the League, or any right or interest therein, shall cease.

(B) Whenever any stockholder, partner or holder of any interest in a member club is requested to sell or dispose of his stock or an interest in a membership in the League by reason of an expulsion or other involuntary termination, such sale or disposition must be completed within one hundred twenty (120) days after such action has been ordered. If such stock or interest is not sold or disposed of within one hundred twenty (120) days then the price and other terms of the sale or disposition shall be fixed by mutual agreement between the person affected and the Commissioner; if such cannot be accomplished by mutual agreement, then the price and other terms shall be fixed by arbitration with one arbitrator to be selected by the Commissioner and the other by the affected holder of the stock or interest. If within five (5) days the two arbitrators cannot agree on the price and terms, then the two arbitrators shall select a third arbitrator and the decision of the majority of the arbitrators shall be binding on all parties. If any person required to name an arbitrator fails to do so, or if the two arbitrators cannot agree on a third arbitrator, then such arbitrator in either case shall be named by the Commissioner.

#### Capital Contribution of Transferee

3.9 A new member acquiring its membership by transfer from another member shall succeed to the interest of the transferor in and to the funds, property, rights and interests of the League and shall not be obligated to make the capital contribution required under Section 3.3 (B) hereof.

#### Membership Fees and Assessments

3.10 Assessment. Whenever moneys are required to meet the expenses of the League, and League funds are not available for that purpose, then, upon demand by the Commissioner, each member shall be obligated to contribute equally its share of the required moneys.

#### Membership Covenants and Obligations

3.11 Each member club, and each and all of the owners, officers, stockholders, directors or partners therein, as well as any other person, owning any interest in such member club, assumes and agrees to be bound by the following obligations of membership in the League:

(a) They, and each of them, shall be bound by and will observe all decisions of the Commissioner of the League in all matters within his jurisdiction.

(b) They, and each of them, shall be bound by and will observe all decisions, rulings and action of the Executive Committee or the member clubs of the League in every matter within the jurisdiction of such Committee or such member clubs, as the case may be.

(c) They, and each of them, to the fullest extent permitted by law, release and indemnify the Commissioner, the League and every employee thereof, every member club and every officer, director or employee thereof and

every holder of an interest therein, from and against any and all claims, demands, suits or other proceedings, whether for damages or otherwise, which they, or any of them, or any other party, may at any time have or assert in connection with or by reason of any action taken or not taken by the released/indemnified parties in their official capacities on behalf of the League or any committee thereof.

(d) They, and each of them, shall include in every contract between any member club and its employees, including coaches and players, a clause wherein the parties to such contract agree to be bound by the Constitution and By-Laws of the League.

(e) That after becoming a member of the League, the primary purpose of the corporation, partnership or other entity operating the club shall at all times be and remain the operation of a professional football team as a member club of the League, and such primary purpose shall not be changed.

(f) They, and each of them, consent to be bound by the provisions of the Final Judgment of the United States District Court for the Eastern District of Pennsylvania entered against the National Football League and certain of its member clubs on December 28, 1953, and as thereafter modified and for the purpose of said Judgment submit to the jurisdiction of said Court.

(g) They, and each of them, agree to be bound by all of the terms and provisions of the Constitution and By-Laws of the League as now or hereafter in effect.

(h) They, and each of them, agree to be represented at each and every meeting of the League and of the Executive Committee of the League by a representative duly authorized and empowered to cast a binding vote of the member club on all questions coming before such meeting.

#### ARTICLE IV

(b) In respect to the San Francisco and Oakland franchises the following provisions shall apply:

(i) The home club in each city shall have the exclusive right to exhibit professional football games played by teams in the League in its city, and neither the San Francisco nor the Oakland club shall have any right to play professional football in the city of the other without the consent of the other club.

(ii) In respect to the area included in the home territory of both clubs, but located outside the city limits of both cities, both clubs shall have joint rights of exclusivity, and both of said clubs may play games with other clubs in the League within such area without the consent of the other club also operating in the same home territory or any part thereof.

**Annual Meetings**

5.1 The Annual Meeting of the League shall be held not earlier than the second Monday in February of each year and not later than April 1 in such year; such meeting shall be held on such date and at such places and times as the Commissioner shall designate in the notices of the meeting.

**Special Meetings**

5.2 Special meetings of the League may be held at any place upon call by the Commissioner.

(B) Whenever the Commissioner determines that any punishment which the Commissioner has the power to impose pursuant to Section 8.13 (A), is not adequate or sufficient, considering the nature and gravity of the offense involved, he may refer the matter to the Executive Committee, with a recommendation that all or any part of the following additional or increased punishments or discipline be imposed:

- (1) Cancellation or forfeiture of the franchise in the League of any member club involved or implicated; if such occurs, the affected franchise shall be sold and disposed of under the provisions of Section 3.8(B) hereof.
- (2) Cancellation or forfeiture of the interest in a member club, or in the franchise thereof, owned by a person involved or implicated therein; if such occurs, the interest held by any person so implicated, shall be sold and disposed of under the provisions of Section 3.8(B) hereof.

The Executive Committee may impose such other or additional discipline or punishment as it may decide.

Any such ruling or decision by the Commissioner under the circumstances referred to in this sub-paragraph 8.13(B) of Article VIII, after approval or ratification by the affirmative vote of no less than three-fourths or 20, whichever is greater, of the members of the League, as aforesaid, shall

be final, conclusive, and unappealable; any party involved in or affected by any such decision agrees to release and waive any and all claims that such party may now or hereafter have or possess arising out of or connected with such decision against the Commissioner, individually and in his official capacity, as well as against the League and any officer or employee thereof, and every member club therein and against any director, officer, shareholder or partner thereof, or the holder of any interest therein, whether for damages or for any other remedy or relief.

The word "person", for the purposes of this subparagraph (B) of Article VIII, Section 8.13, shall mean and include a member club and any owner, officer, stockholder, or partner thereof, or anyone holding any interest therein.

The membership of a member or the interest of any person owning a share or interest therein shall be suspended or terminated under this Section 8.13(B) only by resort to the following procedure:

- (a) Any member of the Executive Committee or the Commissioner may prefer charges against a member, or the holder of any interest therein, on the ground that such a member or holder has violated the provision of the Constitution and By-Laws, or is or has been guilty of conduct detrimental to the League or to professional football; said charges shall be in writing and filed with the Secretary of the League. The Commissioner shall first conduct such investigation as he deems appropriate. Upon the completion thereof, the Commissioner shall submit a copy of the charges by mail to each member club and to the member or person against whom such charges have been made, and shall make his recommendation thereon to the member clubs.
- (b) The member or person so charged may, within fifteen (15) days after receipt of the charges, file with the Commissioner its or his written answer thereto. The Commissioner shall thereupon deliver a copy of such answer to all members of the League.
- (c) A special meeting of the League shall be called to hear charges; the time and place of such meeting shall be fixed by the Commissioner.
- (d) At such hearing the Commissioner shall preside, unless he is the complainant; in such event the presiding officer shall be elected by majority vote of the members attending the meeting.
- (e) At the hearing the member or person so charged shall have the right to appear in person and by counsel. Strict rules of evidence shall not apply, and any testimony and documentary evidence submitted to the hearing shall be received and considered. Either the complainant or the member or person charged shall be entitled to an adjournment for a reasonable time to enable it or him to present rebuttal evidence.

- (f) After considering all the evidence, the members shall vote upon the charges and fix the punishment. An affirmative vote of not less than three-fourths or 20, whichever is greater, of the members shall be required to sustain the charges and fix the punishment, excluding the vote of any member in which the person charged has an interest.
- (g) If the members vote to terminate the membership or the interest of any member in a club of the League, then the member club or person charged shall be required to dispose of such membership or interest in the affected club in accordance with the provisions of Section 3.8 (B) hereof.

(C) Whenever the Commissioner, after notice and hearing determines that a person employed by or connected with the League or any member club thereof, has bet money or any other thing of value on the outcome or score of any game or games played in the League, or has had knowledge of or has received an offer, directly or indirectly, to control, fix or bet money or other consideration on the outcome or score of a professional football game, and has failed to report the same in the manner hereinafter prescribed, then such Commissioner shall have complete and unrestricted authority to enforce any or all of the following penalties:

- (1) Suspend such person indefinitely or for a prescribed period of time.
- (2) Bar such person from the League for life.
- (3) Cancel or terminate the contract of such person in the League or any member club thereof.
- (4) Require the sale of any stock, or other interest of such offending person in any member club by the method and under the procedure specified in Section 3.8 (B) hereof.
- (5) Fine such person in an amount not in excess of Five Hundred Thousand Dollars (\$500,000).
- (6) Cancel or declare to be forfeited any interest in a member club, or in the franchise thereof, owned by any person so involved; in such event, any interest of the offending person so implicated in the club or any stock owned by such person in any member club shall be sold under the procedure provided in Section 3.8 (B) hereof.
- (7) Assign to another club or a member of the League the lease on any stadium or playing field held for or owned by the offending club or by any person owning any interest therein.
- (8) Assign to one or more other clubs players on the Selection or Reserve Lists of the offending club.

(9) Impose such other or additional punishment or discipline as the Commissioner may decide.

If the person involved is a player in the League, such player is obligated to report immediately such incident to the head coach, owner, or managing officer of the club with which he is affiliated. If the person involved is either an owner, officer, director, stockholder, or a partner of a member club or owns or holds an interest therein, or is a coach or employee, (other than a player) thereof, such report shall be made promptly to the Commissioner. Any decision by the Commissioner under the circumstances referred to in this Section 8.13 (C) shall be final, conclusive, and unappealable; all persons involved in or affected by any such decision agree to release and waive any and all claims arising out of or connected with such decision that such person may now have or hereafter possess against the Commissioner, individually and in his official capacity, as well as against the League or any officer, or employee thereof, and against every member club therein and any director, officer, shareholder, or partner thereof or against the holder of any interest therein, either for damages or for any other remedy or relief. The word "Person" wherever used in this subparagraph (C) of Article VIII, Section 8.13 shall mean and include a member club, or any club owner, official, officer, stockholder, partner thereof, or anyone holding any interest therein, as well as a coach, player, or other employee thereof; it shall also include an officer or employee of the League or any official employed by the League.

(D) Whenever the Commissioner finds, in his sole and exclusive discretion, that any person whether or not connected or affiliated with the League, or a member club therein, is guilty of conduct detrimental to the best interest of the League or professional football, then in addition to his other powers prescribed in the Constitution and By-Laws of the League, the Commissioner shall have the right to bar and prohibit such person from entry to any stadium or park used by the League, or its member clubs or affiliates for the practice or exhibition of professional football.

(E) The Commissioner shall have authority to change, reduce, modify, remit, or suspend any fine, suspension, or other discipline imposed by the Commissioner and not requiring approval of the member clubs.

#### Miscellaneous Powers of the Commissioner

8.14 (A) The Commissioner shall have the power, without a hearing, to disapprove contracts between a player and a club, if such a contract has been executed in violation of or contrary to the Constitution and By-Laws of the League, or, if either or both of the parties to such contract have been or are guilty of an act or conduct which is or may be detrimental to the League or to the sport of professional football. Any such disapproval of a contract between a player and a club shall be exercised by the Commissioner upon the written notice to the contracting parties within ten (10) days after such contracts are filed with the Commissioner. The Commissioner shall also have the power to disapprove any contract between any club and a player or any other person, at any time pursuant to and in accordance with the provisions of Section 8.13 (A) of the Constitution and By-Laws.

(B) The Commissioner shall have the power to hear and determine disputes between clubs in respect to any matter certified to by him by either or both of the clubs; he shall also have the power to settle and determine any controversy between two clubs which, in the opinion of the Commissioner, involves or affects League policy.

(C) The Commissioner shall have the right to propose amendments or modifications in the Constitution and By-Laws of the League by submitting such amendments or modifications in writing to the League no less than fifteen (15) days prior to the holding of any Annual Meeting of the League or recessed session thereof.

A "minor League club" shall include any professional football club not a member of this League, which has been designated by the Commissioner of this League as a minor league club.

Should any club in the League violate the provisions of this 9.1 (C) (15), then, in addition to all other remedies available to the Commissioner under this Constitution and ByLaws, such club guilty of such violation shall not have the right to employ as a football player any player who was under contract to or played for such minor league club at the time of any such violation.

If such affected player was never selected in any Selection Meeting, the Commissioner shall determine the round in which the offending club shall lose its selection choice. Additionally, if the Commissioner decided such offense was intentional, the Commissioner shall have the power to fine the offending club and may award the offended club 50% of the amount of the fine imposed by the Commissioner. In all such cases the offended club must first certify to the Commissioner that such an offense has been committed.

9.3 (A) (1) No coach, or administrative or supervisory employee, as hereinafter defined, may be employed by any member club of the League without the prior approval of the Commissioner. All coaches must have a written contract: such contract shall be filed in the League Office promptly following execution, and the terms thereof must be approved by the Commissioner: an administrator or supervisory employee, for the purpose of this section, shall mean a general manager or any assistant to the president or executive officer of the club.

(2) Every contract with any employee of the League or of a club therein shall contain a clause wherein the employee agrees to abide and be legally bound by the Constitution, ByLaws and the Rules and Regulations of the League, as well as by the decisions of the Commissioner thereof, which decision shall be final, conclusive and unappealable; such contract shall provide further that the contracting parties, if involved or affected in any manner by a decision of the Commissioner, agree to release the Commissioner and to waive every claim he, they or it have against the Commissioner individually, and in his official capacity, as well as against the League, each and every member club thereof, and any and all directors, officers, stockholders, partners, or holders of an interest therein, for damages and for any other claims or demands arising out of or connected with any decision of the Commissioner. Every written employment contract with any non-player employee of a club shall be filed in the League Office promptly following its execution, and shall provide: that such contract sets forth the entire agreement between the parties; that no oral agreements, and no other written agreements except as are attached to the contract or specifically incorporated by reference therein,

exist between them; that such written contract (including agreements attached thereto or incorporated therein) sets forth the entire agreement with respect to the employee's services for the club; and that neither party will rely on any agreement or understanding not reduced to writing and specifically incorporated into such employment contract prior to its execution or when subsequently amended.

(B) (1) A veteran player must be paid a full game current season salary and a first-year player a half-game salary for playing in the Chicago Tribune All-Star Game.

(2) Any player, eligible to participate as a member of the League championship team, who is traded or sold to another club prior to the Chicago Tribune All-Star Game in the succeeding season must be paid one-half of his game salary for the Chicago Tribune All-Star Game by the League championship club; such salary shall be calculated on the basis of the salary in effect at the time of the trade or sale. If such player is waived by the championship club and then claimed by another club, then the claiming club, if awarded the player, must pay such player the one-half game salary such player would have received for such All-Star Game, if he had not been waived; such salary shall be calculated on the basis of the salary in effect at the time said player was waived.

(C) No owner or person holding any interest in a member club, nor any officer, stockholder, director or partner thereof, nor any officer or employee of the League or a member club thereof, shall enter the dressing room of a game official.

(D) Subject to the provisions of Section 17.11 hereof for purposes of this sub-section, a player shall be deemed to be an "active member of the Armed Forces" until he is discharged therefrom or listed as a reserve member of the Armed Forces. No active member of the Armed Forces may play or practice with a club in the League, subject to the following limitations:

(1) In the event of a declaration of war, the Commissioner has the right to suspend this requirement for the duration thereof.

(2) This provision shall not apply to participation in the Chicago All-Star Game, nor to any pre-season games.

(3) This provision shall not apply to any player who has been given a conditional release from the Armed Forces or is on terminal leave.

(4) Active members of the Armed Forces may play or practice with a club provided:

(i) The club, at the time the player is inducted into the Armed Forces of the United States, continues to carry such player as one of its active players and notifies the Commissioner to that effect at the time of said induction; and

(ii) Such player receives permission from his commanding officer in the military service to play or practice with such club.

(E) No club, nor any coach, representative or employee thereof, shall use or employ any mechanical or other equipment or device in connection with the staging or playing of any game, except such as has been normally and commonly used in games in former seasons in the League; no electronic magnifiers or loud speaker systems, may be used or employed either from the stands, bench or sidelines to impart any information or instructions to players engaged in play on the field, but such instruction or information shall only be given orally or through substitution.

(F) No films of prior games shall be shown or displayed on or by means of television other than complete game films; such film shall not be stopped during any showing; provided, however that in the staging of a regular quarterback show of a club, clips or portions of game films may be shown. In connection with the showing of films, no employee, officer, owner or representative of club shall make any comment or express any opinion, publicly or for publication, on the quality of the officiating or that any play shown was or was not illegal.

(G) No bonus may be paid to a player or players for winning a particular game; neither may remuneration or gifts of any kind other than those listed in the contract of a player, be announced, promised, or paid directly or indirectly by a member club, or by any person connected with or employed by a club.

(H) No blanket remuneration or bonuses shall be paid or given to players at any time.

(I) There shall be no contact work prior to a club's official preseason camp. In any off-season camp, clubs may use helmets and protective pads for elbows and knees, but all other pads are prohibited. Blocking dummies, sled and similar apparatus may be used in off-season camps at club's option.

(J) All clubs must pay the travel expense of the players to training camp, and if the player thereafter is included on the Active List of the club for the first regular season game, travel expenses to training camp for that player, if previously paid, may be deducted from the salary of the player. If a player is waived out, then the waiving club shall pay the travel expenses of the player for the return trip to his house, provided, however, that if the player is claimed by another club under waivers, or is sold or traded, then the club acquiring the player shall pay the travel expenses of such player incurred in connection with reporting to the new club.

The Commissioner will not approve any contracts that do not contain a provision stating that the contract is subject to Article X as now or hereafter in effect.

#### Television Income

10.3 All regular season (and pre-season network) television income will be divided equally among all member clubs of the League regardless of the source of such income, except that the member clubs may, by unanimous agreement, provide otherwise in a specific television contract or contracts.

#### Network Provisions

10.4 In any network television contract in effect in the League after 1970 the following provisions shall apply:

(a) Each regular season road game of the New York Giants, New York Jets, Oakland Raiders and San Francisco 49ers will be televised live back to the home territory of the club participating in the road game.

(b) Every effort shall be made to avoid direct conflicts between the television of road games of either the New York Giants or New York Jets and any home game of either club.

(c) Without the prior consent of the home team no road game of either the Oakland Raiders or the San Francisco 49ers respectively may be televised back to the home territory of the other club on any day when the other club is playing a game at home.

#### Championship Games

10.5 The sale of radio and television and film rights for the World and Conference Championship Games shall be under the sole jurisdiction of the Commissioner and be subject to the provisions of Article X.

In the World and Conference Championship Games:

(1) The participating clubs may broadcast by radio on a non-exclusive basis from a station located in its home territory; provided, (a) said club contributes to the gross receipts of the game (to be divided in the same manner as game receipts are distributed) a fair and equitable sum fixed by the Commissioner in his role and absolute discretion; and (b) provided the Commissioner approves all sponsors and broadcasters involved in the game.

(2) No television station may carry or broadcast the game if its signal is visible in the home territory (75 miles) of the home club in the city where the game is being played. The Commissioner's decision in this matter shall be final.

**Broadcast Facilities**

10.6 Each club when playing at home shall provide adequate space for use of the visiting club in telecasting and/or broadcasting each game.

**Player Depiction and Club Promotion**

10.7 The player grants to the club controlling his contract and to the League severally and jointly, the privilege and authority to use his name and/or picture for publicity and/or advertising purposes in newspapers, magazines, motion pictures, game programs and annual roster manuals, radio material, television telecast, and all other publicity and/or advertising media providing such publicity and/or advertising does not in itself constitute an endorsement by that individual player of a commercial product.

**Judgment**

10.8 All provisions of Article X are intended to conform to and are subject to the Final Judgment of the United States District Court for the Eastern District of Pennsylvania entered December 28, 1953, and as thereafter modified, against the National Football League and certain of its member clubs; in the event of any conflict between the Constitution and By-Laws and said judgment, the provisions of said Final Judgment, as modified, shall prevail.

**Replays in Stadiums**

10.9 In all NFL stadiums with the capability of displaying television replays on the scoreboard of action occurring on the field, such displays may be shown at any time during the game, provided, however, that the selection of material for the replays shall be at the home club's discretion.

### PLAYING RULES

#### Official Rules

11.1 The playing rules of the League shall be those set out in the National Football League Rules Book.

#### Amendment of Rules

11.2 Playing rules may be amended or changed at any Annual Meeting by the affirmative vote of not less than three-fourths or 21, whichever is greater, of the members of the League, provided the proposed amendment or change has been presented to the League in writing fifteen (15) days prior to the Annual Meeting or a recessed session thereof, or provided the proposed amendment or change carries the unanimous approval of a duly appointed standing committee of the League vested with the authority to make a recommendation on proposed playing rules changes, in which case notice of at least 12 hours prior to the vote is required; and further provided that all playing rules proposals from clubs must be submitted in writing to the League office a minimum of thirty (30) days in advance of any Annual Meeting of the League; otherwise unanimous consent is required for any amendment to the Playing Rules.

#### Rules Committee

11.3 Each member club of the League shall have one representative only on the Rules Committee.

## ARTICLE XII

### ELIGIBILITY OF PLAYERS

#### General Rules of Eligibility

12.1 (A) No person shall be eligible to play or be selected as a player unless (1) all college football eligibility of such player has expired, or (2) at least five (5) years shall have elapsed since the player first entered or attended a recognized junior college, college, or university, or (3) such player receives a diploma from a recognized college or university prior to September 1st of the next football season of the League. The expression "recognized junior college, college or university" shall be interpreted to mean any college listed in the Blue Book of College Athletics or Blue Book of Junior College Athletics, published by The Rohrich Corporation, 1940 East 6th Street, Cleveland, Ohio and/or the Education Directory, Higher Education, Office of Education, U.S. Dept. of Health, Education and Welfare, Washington D.C.

The fact that a player has college eligibility remaining in another sport other than football shall not affect his eligibility under this section provided the player meets all other qualifications hereunder.

Despite the foregoing, if four college football seasons shall have elapsed since the player first entered or attended college and, if such player did not at any time during such period, participate in college football, such a player shall be eligible for selection.

Special consideration shall be granted to those players whose college and/or conference allow five years of football eligibility, during all of which the player may participate full-time, as distinguished from those whose "red-shirt," i.e. do not participate during one particular year. If a player under the circumstances described above has completed four years of participating football eligibility and elects not to avail himself of his fifth year, such player shall be eligible for selection in this League.

(B) No player may be signed to a contract or any other document (including a letter of intent), directly or indirectly, until completion of all football games, including post season bowl games in which the team of the school or college of such player is to participate and in which the player is to participate; such provision shall also apply to college football players competing in football in any season ending after that date when the original class of such player shall have been graduated. If a club violates this section, it shall be subject to punishment by the Commissioner; such punishment shall provide for the loss of selection choices of the offending club in the next or in succeeding Selection Meetings up to and including the entire Selection List. All negotiating rights to the player or players so involved shall be awarded to the club lowest in the League standings, excluding the offending club, at the time of the last Selection Meeting.

(C) A diploma of graduation issued by a recognized college or university to a student under an accelerated course or program shall be acceptable for eligibility purposes despite the fact that the student actually attended such institution for a period of less than four (4) years.

(D) No person who has never been selected in a Selection Meeting and who has college athletic eligibility remaining and who registers at a college for the fall term or semester may be signed to a contract by a club in the League until the close of the next succeeding Selection Meeting of the League, at which meeting he would be eligible for selection regardless of how many seasons in excess of five have elapsed since he first registered at a college and regardless of how many selection meetings for which he was eligible have transpired.

(E) No person who plays college football after the opening date of the training season in any year may play football in the League during the balance of the same calendar year.

(F) No person eligible for the Selection Meeting in any calendar year may be signed to a contract with a club in the League until the Selection Meeting in that year.

(G) A player, either under contract to or on the Reserve or Selection List of a League club, shall be a member of the team of the club until the Commissioner receives notice from such club that other League clubs are free to negotiate or contract with said player. Upon receipt of any such notice, the Commissioner shall promptly notify each other League club thereof. Until the notice is given by the Commissioner, no other club may sign a contract nor negotiate with such player unless prior written permission thereof has been given by the club owning rights to such player.

(H) EARLY GRADUATION. Any player who expects to graduate before his college football eligibility expires may become conditionally eligible for the League's principal selection meeting (i.e., the 12-round annual draft that includes approximately 336 choices) by declaring to the Commissioner in writing his intention to graduate before the League's next succeeding regular season, which declaration must be in the Commissioner's office no later than 15 days before the date of the opening of the principal selection meeting. The Commissioner has the authority to change the receipt date of the written declaration if he deems such change appropriate. If a player's written declaration is received in timely fashion and the League Office determines that he has a reasonable opportunity to graduate before the next succeeding regular season of the League, all member clubs will be advised of his conditional eligibility for the principal selection meeting. Any player so designated cannot be signed to an NFL Player Contract, regardless of whether he is selected in the selection meeting, until the League Office is advised by an appropriate authority at the player's college that he has graduated. Any player who makes such a declaration to graduate and who does not graduate before the next succeeding regular season of the League will be ineligible in the League for that season and postseason; and, if such player has been selected in the principal selection meeting, the selecting club will forfeit its selection choice. Any player who fails to make a timely written declaration of his intent to graduate but does graduate before his college football eligibility expires and before the beginning of the next succeeding regular season of the League will be eligible for a supplemental draft.

(I) ELIGIBILITY SUBSEQUENT TO PRINCIPAL DRAFT. If a player who was not eligible for the principal selection meeting becomes eligible between the time of such principal selection meeting and the next succeeding regular season of the League, he will be eligible for a supplemental draft, subject to all provisions of sub-section (J) below.

(J) SUPPLEMENTAL DRAFT. Whenever a player or players become eligible for the League subsequent to the principal selection meeting, a supplemental draft will be conducted to admit such players. Supplemental draft procedures are as follows:

1. The League Office will schedule a maximum of two supplemental drafts in any year -- one on the first League business day of July and one on the last League business day in August.
2. The League Office will conduct each supplemental draft by electronic hookup with member clubs.
3. Immediately before each supplemental draft is to begin, the League office will conduct a lottery to determine the selection order of member clubs. Procedures of the lottery are:
  - a. A first step will be taken in which the order of the first round of the immediately prior principal draft, exclusive of any trades affecting that prior draft, will be weighted by assigning the weakest club the greatest number of lottery chances and the strongest club the fewest number (i.e., the weakest club will

have its name in the drawing 28 times, the next weakest 27 times, etc., until the Super Bowl winner will have its name in once.)

- b. Lottery chances for the weakest teams, i.e., those which won no more than six games in the prior regular season, will be placed together in a container and drawn to determine a number of places in the selection order equal to the total number of those teams.
- c. Lottery chances for the remaining teams, with the exception of the playoff teams, next will be placed together in a container and drawn to determine the places following those determined under "b" above.
- d. Lottery chances for the playoff teams next will be placed together in a container and drawn to determine the remaining places in the selection order.

4. The Commissioner will determine an appropriate per-selection time limit for each supplemental draft.
5. Trades involving draft choices may not be made after clubs have been informed of the priority of a supplemental draft until the conclusion of such draft.
6. Each supplemental draft will proceed by rounds through 12 rounds.
7. Any club that selects a player in a supplemental draft must forfeit a choice in the same round in the next succeeding principal draft.
8. Any club that does not own a choice in a given round of the next succeeding principal draft may not select a player in that same round in a prior year's supplemental draft.

#### Rules and Regulations

12.2 (A) A club, at its option, may adopt individual club rules and regulations not inconsistent with or contrary to the Constitution and By-Laws of the League and/or the Rules and Regulations of the League. The club shall give the player reasonable notice of all rules and regulations adopted by the club. Any club adopting rules and regulations may suspend and/or fine a player for violation thereof.

(B) The League may adopt League rules and regulations, and any rules and regulations so adopted must be printed on the reverse side of the standard form of player contract used by the League.

12.3 (A) No person employed by a club as a coach, trainer or in any capacity other than as a player, may play for that club or any other club in that same year unless said employee is:

- (1) Signed to a current year NFL Player Contract, and
- (2) Counted within the first applicable player limit of the preseason and all subsequent player cutdowns. If such person is released through waivers or placed on the Reserve List after the first applicable player limit is in effect, he cannot return to any club in the League in the same season as an active player.

(B) Whenever a player under contract or option to a member club in the League fails to report to that club prior to its first regular season game, then such player, without the prior consent of the Commissioner, may not play with any club in the League during that same season if said player played in any other league, or with any other team other than in or for the League during that same calendar year, unless such other league or other club in which or for whom such player played is designated by the Commissioner of the League as a minor league; the decision of the Commissioner shall be final.

(C) No club may sign any player who, in the same year, has been under contract to a Canadian Football League club at the end of that CFL club's season (regular season or postseason, whichever is applicable).

(D) No player under contract to a club in the League shall be permitted to participate in any football game for or against any team, group or organization outside the League, except in games officially approved and sanctioned by the League.

(E) (1) If a player reports to the club at its preseason training camp and is, in the opinion of the club physician, physically unable to perform his services as a player, the club will have the following options:

- (a) Place the player on waivers with the designation "Failed physical," or
- (b) Place him in the category of Active/Physically Unable to Perform. Players in this status count on the Active List and are allowed to attend meetings and undergo noncontract rehabilitative workouts up to the time of the second roster reduction in the preseason, at which time the club must either request waivers on the player as "Failed Physical," place him on Reserve/Physically Unable to Perform [see (c) below], trade the player, or continue to count him on the Active List. If the player continues to count on the Active List, he will be considered to have passed the club's physical examination. Any player in the status of Active/Physically Unable to Perform who appears in contact work during practice or any preseason game will be subject to all rules applicable to players who have passed the club's physical examination. Or,
- (c) Place him in the category of Reserve/Physically Unable to Perform. The following rules apply:

- (i) Upon receiving notification that the player has been placed on Reserve/Physically Unable to Perform, the League Office will arrange to send the player to a neutral physician appointed by the Commissioner.
- (ii) Players on Reserve/Physically Unable to Perform are ineligible for all games of the club and for all practice sessions, subject to the conditional practice described below. All players on Reserve/Physically Unable to Perform may attend meetings.
- (iii) Commencing the day after the club's first regular season game players on Reserve/Physically Unable to Perform will be eligible for all practice sessions for the rest of the regular season and postseason, and during the period from the day after the trading deadline until 4 p.m., New York time, the day after the club's ninth regular season game, clubs are permitted to restore players on Reserve/Physically Unable to Perform to their Active List.
- (iv) A club may at any time of the season request waivers on a player who is on Reserve/Physically Unable to Perform, provided, however, that if the player has not yet passed the club's physical examination, the waiver request will be marked "failed physical." Further, such player on waivers cannot return in the same season to the club which requested waivers.
- (v) If the player is not restored to the Active List by 4 p.m., New York time, on the day after the club's ninth regular season game and the club elects to continue to carry the player on Reserve/Physically Unable to Perform, the club may subsequently return the player to its Active List during the remainder of the regular season and postseason by using one of its Reserve/Injured free activations, but the player will not be eligible to return to the club's Active List through procedural-recall waivers.

(2) No club will be permitted to use any of the procedures of Physically Unable to Perform unless it reports to the League office at the time physical examinations are given that the involved player has failed his physical.

(3) If a player reports to a club at its preseason training camp and passes the club's physical, then later suffers an injury unrelated to football, the club may place him on Reserve as Non-Football Injury or Illness (N-F/I). Said player must remain on Reserve through the duration of the playing season, including any postseason games in which his team plays, unless said player is placed on procedural recall waivers; or a free reactivation is used under appropriate procedures of the rules covering the category of Reserve/Injured. If placed on Reserve (N-F/I), such player is subject to all rules governing participation in practice by a player on Injured Reserve. If Suspended or placed on Reserve (N-F/I), player shall not be entitled to compensation.

(4) The club may also use the designation N-F/I for a player who fails the training camp physical, but said player will be governed by the provisions of 12.3 (E) (1). Player shall not be entitled to compensation.

12.4 (A) After the first mandatory roster reduction in the preseason and for the remainder of the season a member club desiring to try out a player seeking employment with that club may do so on one day only and only if the date of his presence with that club is reported by TWX to the League office prior to the completion of such tryout. The League, in turn, shall promulgate all such tryouts to member clubs. Additionally, a club is permitted to bring in the free-agent player for a physical examination, i.e., a maximum of two one-day visits: one for the purpose of a tryout and/or physical examination, the other for a physical examination only. Helmets and protective pads for elbows and knees are permitted for tryouts; all other pads are prohibited. The involved player or players shall not be on the club's practice field at the same time as regular practice is being conducted. The club shall be allowed a maximum of two players from its Active List to participate with the tryout player during his tryout. Multiple tryouts of the same player in the same session by a club are prohibited unless, following the most recent tryout, the player is placed under contract and released by another club in the League. Nothing in this sub-section is to be interpreted in any way as a modification of Section 17.5(B) of this Constitution and By-Laws and therefore such player may not participate in practice with the playing squad. No remuneration of any kind, except normal travel and lodging expenses may be paid to such player while not under contract. Players tried out under this rule are not subject to the provisions of Section 17.5(C) which restrict the return to a former club.

(B) A player on the Reserve List of a member club may, with the permission of that member club, try out with another member club on one day only and only if the club granting permission notifies the Commissioner's Office of such permission by TWX and the Commissioner's Office, in turn, notified each member club in advance of such tryout through the daily notice that such permission has been granted. Subsequently the club conducting the tryout must notify the Commissioner's Office by TWX of the date of the player's presence with that club prior to the completion of such tryout.

ARTICLE XIII

SCHEDULE

Preparation

13.1 The Commissioner shall draft a schedule and forward the same to the member clubs as soon as possible after the World Championship Game; such schedule shall constitute the official schedule for the regular season games of each member club of the League and shall not require any consent nor approval by the member clubs.

Conditions

13.2 The following conditions shall govern and apply in drafting of the schedule each year, namely,

(a) Whenever reference is made to a Green Bay home game, it is understood that such home game may be scheduled at either Green Bay or Milwaukee subject to the approval of the Commissioner.

(b) Without the consent of the affected clubs, neither the New York Giants, the New York Jets, nor the San Francisco 49ers shall be required to play more regular season home games on the road than at home.

(c) The San Francisco 49ers and Oakland Raiders will not be required to play any regular season game at home on the same day without the consent of both clubs.

(d) Commencing in 1978, the 28 teams will play a 16-game common opponent schedule with the following designations applied to the schedule formula:

A -- AFC East	D -- NFC East
B -- AFC Central	E -- NFC West
C -- AFC West	F -- NFC Central

(1) Each team will play home-and-home with the other teams in its division.

(2) Each team in a four-team division will play a game with each of the fifth place teams in the other two divisions in its conference, i.e., each team in the AFC Central will play the fifth place team in both the AFC East and AFC West and each team in the NFC West will play the fifth place team in both the NFC East and the NFC Central.

(3) On rotating three-year basis, teams 1 through 4 in each division play teams 1 through 4 in a division of the other conference. The rotation will be as follows:

First year -- A vs. D, B vs. E, C vs. F  
Second year -- B vs. D, C vs. E, A vs. F  
Third year -- C vs. D, A vs. E, B vs. F

(4) The first place team in each division will play games with each of the other two first place teams in its conference, a game with a second place team in its conference that is not in its division, and a game with the third place team in its conference that is not from its division or the division of the second place team.

The second place team in each division will play games with each of the other two second place teams in its conference, a game with a first place team in its conference that is not in its division, and a game with the fourth place team in its conference that is not from its division or the division of the first place team.

The third place team in each division will play games with each of the other two third place teams in its conference, a game with a first place team in its conference that is not in its division, and a game with the fourth place team in its conference that is not from its division or the division of the first place team.

The fourth place team in each division will play games with each of the other two fourth place teams in its conference, a game with a second place team in its conference that is not in its division, and a game with the third place team in its conference that is not from its division or the division of the second place team.

(5) The two fifth place teams in each conference will play home-and-home and will also play one game each with the two fifth place teams in the other conference, i.e., the fifth place teams in the AFC East and AFC West play home-and-home and also play the fifth place teams in the NFC East and NFC Central, and the fifth place teams in the NFC East and NFC Central play home-and-home and also play the fifth place teams in the AFC East and AFC West.

(6) The initial pairing for game sites will be made on a left to right and top to bottom basis, i.e., the first time that A1 plays D1 the game will be at D1. Game sites will there-after be alternated on the basis of alphabetical numerical designation.

(7) The tie-breaking procedures adopted for Divisional Playoff games (Article 20.1) will be used to break ties in the standings for the purposes of scheduling.

#### Schedule Adjustments

13.3 (A) In the event a member club ceases operating and a new franchise is then issued by the League to a new member club to replace such former member, the new member shall be obligated to perform under the same schedule in effect at the time the former club ceases operations, whether or not the franchise issued to the new member is to be operated in the same city as the former franchise holder.

(B) In the event a member club shall cease operations and the League does not replace such franchise by issuing a new franchise or by the transfer of the former franchise, the Commissioner is empowered to make whatever adjustments in the schedule as he in his sole discretion decides are necessary, and all member clubs shall be bound thereby.

#### Change in Site

13.4 When a game is scheduled in a stadium used for baseball, the Commissioner shall have the right to change the site of the game, whenever he concludes such action is necessary by reason of the probable participation of the baseball club in the post-season playoffs and/or World Series; in such event, the visiting club will be reimbursed by the League for any extra travel expense incurred because of such change, and the home club will be compensated by the League for any loss of revenue suffered by it as a result of such change in the site of the game. The Commissioner's decision shall be final and binding upon both of the affected clubs in respect to the need for and amount of any such compensation or reimbursement.

13.5 For the 1987, 1988 and 1989 seasons, site locations for the interconference games of teams which finish 1 through 4 in a division will be assigned by the League Office so that those teams do not play a second consecutive home or road game with an interconference opponent that it played in 1984, 1985 and 1986. The same procedure would be applied to fifth place teams where possible.

13.6 Site locations for non-division, intraconference games and interconference games between fifth-place teams will be assigned so that, where possible by formula, teams do not play a second consecutive regular-season home or road game with an opponent.

### ARTICLE XIV

#### SELECTION MEETING

14.1 A Selection Meeting of the League shall be held on the second Tuesday following the playing of the last post-season game; there shall be only one Selection Meeting each year. The Commissioner shall preside at the Selection Meeting and is empowered to settle any dispute or controversy involving or occurring in the Selection Meeting not otherwise covered by provisions of the Constitution and By-Laws of the League.

14.2 The only players eligible to be selected in any Selection Meeting shall be those players who fulfill the eligibility standards prescribed in Article XII, S12.1 of the Constitution and By-Laws of the League.

14.3 (A) At each Selection Meeting each club participating therein, shall select players of its own choice; selection shall be made by the clubs in each round in the reverse order of their standing.

(B) Reference in this article to "standing" shall mean the standing of the clubs in the League in regular season games at the time of the Selection Meeting. In calculating the percentage, tie games shall be calculated as one-half game won and one-half game lost. To determine the percentage, the total number of winning games, including any fractions thereof to account for ties, shall be divided by the total number of games played in the regular season.

- (1) The winner of the Super Bowl game shall select last and the loser of such game shall select next-to-last in all rounds, regardless of the record of such participating clubs in the regular season.
- (2) In the event of a tie in the selection order involving a non-Super Bowl playoff club or clubs, such playoff club shall be assigned selection priority within its tied segment below that of non-playoff clubs and in inverse proportion to the number of cumulative plus-factors it achieves during the playoffs, as set forth in sub-sections (a) through (c), but in no case shall such a club move out of its tied segment.
  - (a) For a loss in the Wild Card Playoffs, a plus-factor of one-half.
  - (b) For participation, win or lose, in the Divisional Playoffs, a plus-factor of one.
  - (c) For a loss in the Conference Championship Game, a plus-factor of one.
- (3) Clubs with the best won-lost-tied records after the procedures of (1) and (2) above have been applied shall drop to their appropriate spots in the tied segment.
- (4) If, after all the foregoing procedures of this Section 14.3 (B) have been applied, ties still exist, such ties shall be broken by figuring the aggregate won-lost-tied percentage of each involved club's regular season opponents and awarding preferential selection order to the club which faced the schedule of teams with the lowest aggregate won-lost-tied percentage.
- (5) If, after the procedures of (4) above have been applied, ties still exist, the divisional or conference tie-breaking method, whichever is applicable, shall be applied.
- (6) If, after the procedures of (5) have been applied, ties still exist, they shall be broken by a coin flip conducted by the Commissioner.

(7) After the selection order for the first round of the college draft has been determined under this Section 14.3(B), the round-to-round rotation will be as follows:

- (a) Clubs originally involved in two-club ties will alternate positions from round to round.
- (b) In the cases of ties that originally involved three or more clubs, the club at the top of a tied segment in a given round will move to the bottom of the segment for the next round while all other clubs in the segment move up one place. This rotation will continue throughout the draft.

(C) One player shall be selected on each round by each club participating in that round.

(D) There shall be twelve (12) selection rounds at each meeting.

#### Selecting Ineligible Player

14.4 If any club selects an ineligible player, such club shall lose the right to that player and to the selection choice for that year.

#### Reserve List--Selectees

14.5 The selecting club shall have the exclusive right to negotiate for the services of each player selected by it in the Selection Meeting. Selected players shall be placed on the Reserve List of that club.

#### Selectee Returning To College

14.6 Any player eligible for selection at the Selection Meeting who is not selected, shall be eligible to sign with any club in the League; provided, however, that if any eligible selectee not chosen possesses additional college eligibility and thereafter attends college in the fall semester following the Selection Meeting, such player may not be signed by any club until after the close of the next succeeding Selection Meeting at which time he is eligible for selection.

#### League Policy On Playing With Another Club

14.7 The League reaffirms the resolution passed unanimously in May 1935, and which has been in effect in the operations of the League since that time by adding the following action:

If for any valid reason it would be impossible for a player to play in the city by which he has been selected, or the player can show reasonable cause why he should be permitted to play in a city other than that designated for him, then through such arrangements as can be made by sale or trade with another club, he shall be permitted to play in the city he prefers if the Commissioner of the League approves his reasons as valid.

Contact With Draft-Eligibles

14.8 The following rules govern club contact with draft-eligible players:

- A. Clubs may time and test draft-eligible players only at the following sites:
  1. League-approved workouts administered by scouting organizations of which NFL clubs are members. A maximum of one such workout per year (preferably in late January or early February) will be held at a central location over several consecutive days, provided, however, that the scheduling for such workouts will where possible make full use of weekend days to minimize the participants' mid-week absence from their campuses, and further provided that best efforts will be made to limit each individual player's participation in the workouts to a three-day period that will allow him to attend classes the first day, travel to the workout site that afternoon or evening, participate in a full day of timing and testing (and/or medical examination) on the second day, and travel home on the third day after a half-day of participation at the workouts.
  2. The metropolitan area of the city in which the player's college is located. (NFL clubs located in such areas may use their own facilities for the timing and testing if they wish.)
    - a. Where possible, all in-season visits to campuses by NFL club representatives (including employees of scouting organizations of which NFL clubs are members) will be by appointment with advance notice to each college's designated professional football liaison. NFL representatives will adhere to the colleges' individual policies concerning open or closed practice sessions.
    - b. Each NFL club and each NFL scouting organization will designate one person authorized to discuss injury or rehabilitation information with a college trainer during the season. College trainers will be asked to fill out a physical-status form on each of his team's draft-eligible players in late summer and an updated form, if warranted, after the college season is completed. These forms, developed by the Professional Football Athletic Trainers Society and approved by the member clubs and scouting organizations, constitute the only demands that representatives of the NFL clubs or scouting organizations will make on college trainers each year.

- c. For off-season visits to campuses, NFL club representatives must use best effort to limit such visits after the League-wide timing and testing workout (see A-1 above) and before the annual NFL draft. During such visits NFL representatives must make every effort to work out draft-eligible players only on days of the week designated by the college involved. NFL representatives would continue to be allowed to attend professional football timing days scheduled in the spring by colleges for all players, including non-draft-eligibles.
- 3. The metropolitan area of the city in which the player lives. (NFL clubs located in such areas may use their own facilities for the timing and testing if they wish.) If a draft-eligible player establishes a residence in another city (e.g., lease on an apartment), NFL clubs will be permitted to send their scouts to such cities for purposes of timing and testing. If a draft-eligible player establishes a residence in another city and becomes part of a "camp" involving other players, NFL clubs are prohibited from timing and testing such players at a "camp," observing the sessions of the "camp" or otherwise participating in it.
- 4. College postseason all-star game practice sessions.

B. Clubs may administer medical examinations to draft-eligible players under the following rules:

- 1. At League-approved workouts administered by scouting organizations of which NFL clubs are members (see A-1 above.)
- 2. At a maximum of one League-wide follow-up session per year that would be scheduled at a central location approximately two to three weeks before the annual college draft. This session would be for physical examinations only and would include no physical activity such as on-field drills, weightlifting, and performance tests. Players invited to this follow-up session would be from the following categories:
  - a. Those designated by team physicians at the earlier timing and testing session as requiring further physical examination closer to the draft.
  - b. Those invited to the earlier workouts but did not attend.
  - c. Those subject to an occurrence that changes their physical or eligibility status.

- d. Others agreed upon by the scouting organizations.
- 3. At the club's facilities or any other location, including the player's campus; provided that no draft-eligible player may be brought into a club's facilities or home city area before the time of the initial League-wide session (see A-1 above); further provided that clubs will be limited to examining at the club's facilities or elsewhere in the club's home city area a maximum of twenty (20) players previously examined at the initial League-wide session; and further provided that clubs located in the same franchise area are prohibited from combining their allotments of players under the permissible 20 per club to create a larger number for each. Despite the foregoing, a club may, after the initial League-wide session, administer physical examinations at its facilities or elsewhere in its home city area to an unlimited number of draft-eligible players who did not attend such initial League-wide session. All medical examinations of draft-eligible players administered by individual clubs in their home city areas must be administered under the following rules:
  - a. Duration of each examination is limited to one day.
  - b. Examination must not include physical activity of any kind. (A Cybex test is considered part of an orthopedic examination and is permitted.)
  - c. Examination must be after the completion of all football games, including postseason bowl games, in which the player is to participate as a player for his school.
  - d. The League Office must be notified of all such examinations before they are administered.
- C. A physical examination is the only permissible reason for a member club to bring a draft-eligible player into its city and/or training facilities before the draft of that year.
- D. During the period from one week before the annual draft up to and including the final day of the draft, no club is permitted to transport or sponsor the transport of a draft-eligible player to its offices, workout facilities, home city, or other site without prior permission of the Commissioner, even if the player's campus or residence is located in the same metropolitan area as the club's facility; and no club is permitted during the same period to house a draft-eligible player at any site, including sites within his home city. Medical examinations may be administered by clubs during this one-week period at the player's home city or the city in which his college is located, whichever is applicable.
